Better untaught than mistaught".*

Jagarlamudi Kuppuswamy Choudary College (Autonomous), Guntur - 6.

Reaccredited with A grade by NAAC with CGPA 3.32

(Sponsored by Nagarjuna Education Society)

website : www.jkcc.ac.in email : jkccoff@gmail.com

Prospectus : 2018 - 19

Vision

The grand vision of JKC College comprehends large interactive areas of Education, Culture, Literature, Arts, Humanities, Science and Technology; the high quality education at different levels, inculcation of scientific temper and creative thinking, cultivation of character, promotion of dynamic, forward looking outlook.

Mission

High quality higher education providing the youth, in particular to rural youth in humanities, science and technology and brightening their future with wider educational opportunities and better employment avenues.

Empowering Students with value and quality education

- ❖ A learning hub known as **CALL** paves the future path for every student. Building confidence, creating live situations where learning is made necessary and interesting. By infusing the flavour of English into the spoken form and also sprouting the creative urge to write.
- ❖ Well equipped **laboratories** where our students do the practicum and where all their dreams are realised through their seminar papers and power point presentations.
- ❖ **LIBRARY** is the best place to improve knowledge and wisdom. It is helpful for the students not only to improve their academics but also make them competent to appear for various competitive examinations.

- ❖ Community service plays an important role in life. NSS, NCC, Redcross, Rotaract, Eco Club impart discipline, sincerity, compassion, serving and nursing to the needy in the society. Active participation in these service organizations will help the harmonious/integrated development of the students.
- ❖ Multi-gym, steam bath, indoor shuttle court, table-tennis, cricket field with turf pitch, flood-lit basketball, volleyball and khabidi courts make the students attract to sports and games. These sports and games prepare our students not only as able-bodied persons but also as strong persons who can take success and failure alike in life.
- ❖ Spic-Macay, Sadvarthana, Literary Association expose our students to art and literature and thereby make them understand the importance of Indian culture and heritage. These programmes help them in understanding unity in diversity. Dying Indian folk art forms and the life in its varied forms presented in the epics, ancient scriptures are being exposed to the students through workshops and guest lectures.
- ❖ In order to materialize students' dreams through goal setting by polishing analytical abilities, improving reasoning abilities and language skills through a systematic plan right from the day of admission, we create an ambience to the students through the Career Guidance and Placement Cell wherein they walk on the road of success in campus drives and other recruiting agencies.
- ❖ We mould the students' perspectives, change the thinking patterns, and broaden their academic acumen through Guest Lectures, Seminars, Workshops and Certificate Courses.
- ❖ Continuous evaluation, constant guidance and consistent efforts make our students tread on the right direction.
